A FRESH TAKE

Exceptionally flattering, our pales are a feel-good, look-good way to live. Think sweet pea pinks, ripe green melons and duck egg blues. Layer them to create dreamy, beautiful backdrops that feel modern and always fresh.

UNA NUEVA MIRADA

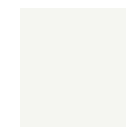

Excepcionalmente halagadores, nuestros pálidos son una forma de vivir sintiéndose y viéndose bien. Piense en rosados de guisantes dulces, melones verdes maduros y en azules color huevo de pato. Póngalos en capas para crear fondos de ensueño, hermosos, que se sienten modernos y siempre frescos.
